

Bernkasteler Graben

Riesling GG
2015

The viticultural tradition of the **Wwe. Dr. H. Thanisch** (Erben Thanisch) Estate dates back from 1650. It has been named after the widow Katharina Thanisch who built up the reputation of the estate and has been under female guidance ever since - today under **Sofia Thanisch**. The label is a very Classic Art Nouveau Etiquette from 1901 and depicts the estate, the town of Berncastel and the vineyards in the background. The estate is member of the VDP since the beginning in 1910.

Our vines from the **Bernkasteler Graben** grow in steep slopes, neighbouring to the vineyards of the Berncasteler Doctor. They wines are 100 % made of the noble grape variety of Riesling, grown on old and partially not-grafted rootstocks. The grapes are handpicked and several times selected and the wines aged in small wooden oak barrels.
