

Bernkasteler Badstube

Riesling Spätlese
2016

The viticultural tradition of the **Wwe. Dr. H. Thanisch** (Erben Thanisch) Estate dates back from 1636. It has been named after the widow Katharina Thanisch who built up the reputation of the estate and has been under female guidance ever since - today under **Sofia Thanisch**. The label is a very Classic Art Nouveau Etiquette from 1901 and depicts the estate, the town of Bernkastel and the vineyards in the background. The estate is member of the VDP since the beginning in 1910.

The wines of the **Bernkasteler Badstube** are grown on very steep south pointing Devon slate vineyards in the picturesque Mosel valley of Germany. They are 100 % made of the noble grape variety of Riesling, grown on old (20 – 40 years) and partly not-grafted rootstocks. The grapes are handpicked and several times selected. The wine is spontaneous fermented and aged in oak casks (Fuder 1000 litres). The Devon-slate-soil gives fine mineral notes.

2016 Bernkasteler Badstube Riesling Spätlese
